

Wednesday A.M.

Dear Louise, - you will no
doubt wonder at the stationery
but thought I would use up
these samples. I have a hard
cold and coughing my head
about off. Could not sleep very
well last night.

Pop is busy drawing (?) from
Powderly's mill barn drew 15 tons
yesterday. Jack Thomas was
helping him but stuck a fork
in his foot and did not come
this morning but Maie's
husband came instead.

Mr. Viles has a sore foot do
not know how bad but is
not able to go to his office.
Mr. Martin and Frimman are
away and Mr. Loftis is in
